DERMATOLOGICAL CONTROL**
- **NON-STRIP REMOVAL**
- **CALENDULA FLOWER EXTRACT**
- **ORANGE COLOR**
- **VANILLA COOKIE SCENTED**
- **SUNFLOWER SEED OIL**
- **GEL TEXTURE**

ROSIN-FREE

Some people have been sensitized and allergic to rosin (natural pine resin). This wax is rosin-free, making it suitable for all skin types.

100% VEGAN

We do not use any products of animal origin in this product.

TESTED UNDER DERMATOLOGICAL CONTROL

We perform dermatological tests to verify the absence of irritant or sensitizing potential of the product before it is commercialized.

NON-STRIP REMOVAL

It's a stripless wax that can be removed without a muslin strip. The wax hardens directly after application, making it easy to remove.

CALENDULA FLOWER EXTRACT

Calendula flowers, known for their soothing properties, are a real boon in cosmetics. Rich in antioxidants and flavonoids, they help calm irritation and reduce redness, and have even been recognized by the World Health Organization (WHO) for their anti-inflammatory properties. (WHO monographs on selected medicinal plants, World Health Organization Geneva, 2002, Volume 2, page 35)

VANILLA COOKIE SCENTED

Take a sweet break with its vanilla cookie fragrance.

ORANGE COLOR

Its bright orange color evokes the warm tones of calendula flowers.

SUNFLOWER SEED OIL

Sunflower seeds contain between 40 and 65% oil. The oil is composed of essential fatty acids and vitamin E, which provide antioxidant properties and protect the skin. It's a light, fluid oil. It enables the wax to adhere to the hairs for effective removal. Suitable for all skin types.

GEL TEXTURE

Gel-textured depilatory waxes offer an innovative solution for gentle, effective hair removal.
